

Just \$2.00!

A Message from George Heinrich, President, Hilton Education Foundation:

As you know the Hilton Education Foundation is a group of hard working parents and patrons of Hilton School District who have come together to support education needs for students and staff. Just \$2.00 per paycheck will help us to continue to support teacher and student through HEF minigrants and scholarships.

We value our partnership with the Hilton educational community and appreciate the efforts of all staff members to establish on-going contributions to a very worthy cause. Our combined effort can have a great impact on your classroom.

See below for your Annual Deduction Authorization form. Please fill it out and return through District mail to the payroll department.

Thank you for your support.
George Heinrich

Hilton Education Foundation is a 501(c) (3) tax exempt charitable organization recognized by the Internal Revenue Service and contributions are tax-deductible.
